

Southwestern Michigan College Restricted Endowed Scholarship Application for 2009-2010

Restricted endowed scholarships are offered through the generous support and contributions of area residents and organizations. Scholarship awards are based on a number of factors, including but not limited to: donor restrictions (such as curriculum), grade point average, and relative need as determined by congressional formula. No scholarships listed on this application will be awarded to a student who does not have valid financial need figures on file in the Financial Aid Office or is not meeting the Standards of Satisfactory Academic Progress. You must complete the **2009-2010 Free Application for Federal Student Aid (www.FAFSA.ED.GOV)**. Scholarship recipients will be selected before the end of the winter semester 2009. Scholarship winners will receive mail notification once selection has been made. Scholarships awarded based on this application are for use only during the 2009 Fall Semester and 2010 Winter Semester at Southwestern Michigan College. Scholarship recipients are required to write a thank-you letter to the scholarship donor(s) before any award will be credited to their account.

Return the completed application (page 1) to the SMC Financial Aid Office at either the Dowagiac or Niles Area Campus. Applications must be received by March 13, 2009. Late applications will not be considered.
