Credential in Phlebotomy

Program Overview
Upon completion of this credential program, students will be able to draw blood from the patient so various laboratory work can be performed to aid the physician with treatment.

To Learn More About This Program
Contact Rebecca Zuhl at 269-782-1236 or rzuhl@swmich.edu.

Certificate Requirements
To earn this credential, students must have an overall GPA of 2.0 or higher, fulfill the course requirements of the program listed below, and complete a minimum of 6 credit hours.

Course Offerings
Courses within this program may be offered on-site at our Dowagiac or Niles campus.

Prerequisite Courses:
- Students are required to successfully complete the Accuplacer exam prior to registering for the course.
- No course prerequisites are required, but previous knowledge of medical terminology is helpful.
- This position requires students to be on their feet for most of the shift. Students should be able to lift more than 50 lbs.
- Students will be required to undergo a criminal background check and drug screening. Students concerned with possible findings on their background check should talk to the Dean of the School of Nursing and Health Sciences before registering for the class.
- Students must apply for separate admission in advance by obtaining an application packet in the Office of First Year Experience. Available seats are limited. See the program contact for specifics and application deadlines.
- Students who have previously failed this class will not be able to repeat the course.
