

Associate in Arts in Graphic Design

Program Outcomes

Upon completion of this degree, students will experience an orientation to contemporary systems of visual communication and client-driven design-based practices. Progressive sequence of courses encourages targeted investigations into both print and web-based design solutions. Fostering habits of mind conducive to building a creative and active learning community. Promoting curiosity, flexibility, and openness to new information systems and approaches to learning in the service of creating expansive and enhanced spaces for persistence, engagement, and shared responsibility for the success of the curriculum.

Employment Opportunities or Additional Educational Options

With this degree, students can prepare to transfer to four-year institutions to continue their studies in graphic design or a related field or prepare for work in art, design, illustration, or related fields. Please work closely with your advisor to ensure proper course selection for the transfer school of your choice.
