NOTE: This degree is for those people who specifically want a two-year criminal justice degree or plan on transferring to Ferris State University to complete a four-year degree in criminal justice. If you wish to transfer to another four-year program, please contact your advisor to determine specific course requirements at the receiving institution prior to selecting options/electives.

This degree can be used to enable persons who are already employed to move up to a mid-level position with their current employer.

### Prerequisites

- ◆ You will need to demonstrate proficiencies in reading, mathematics and English based on SMC assessment tests, ACT or SAT scores, or by taking the recommended classes.
- ◆ Some of the courses in this curriculum have specific prerequisites. These are described in the course descriptions.

### General Education Requirements

The general education courses listed for this degree require a C (2.0) or better for graduation. See "General Education Requirements" for more information and full listing of all general education courses.

- ◆ Some of the courses in this curriculum must be taken in a prescribed sequence because of prerequisite requirements. The listing that follows is a suggested sequence of courses for full-time students. If you are a part-time student or have transferred courses from another college, you should plan to complete the courses listed under Semester I before taking the courses listed under Semester II and so forth.
